

Digital Transparent Led Wall / Led See Through Screen SMD Full Color

Our Product Introduction

Basic Information

- Place of Origin: made in China
- Brand Name: vegoo
- Certification: CE/ROHS/FCC
- Model Number: Transparent P3.91-7.81
- Minimum Order Quantity: negotiation
- Price: negotiation
- Packaging Details: Strong flight case,plywood case
- Delivery Time: 10-15 days
- Payment Terms: T/T, L/C,, Western Union, D/P
- Supply Ability: 5000sq.m/month

Product Specification

- Product: Transparent LED Display
- Tube Chip Color: SMD Full Color
- Type: Digital
- Pixel Pitch: P4.81-7.81mm
- Brightness: 2500-4500cd
- Cabinet Size: 500x1000mm
- Module Size: 250x250mm
- Refresh Rate: 2880HZ
- Highlight: transparent led display, transparent led panel

Product Description

Showroom transparent LED display P3.91 China factory simple construction 500*1000mm

Description:

1. Outdoor advertising LED display
2. High brightness,stable,durable
3. Waterproof,IP65
4. CE,RoHS,FCC certificate

P3.9 -7.8MM cabinet parameter	
MODULE MODEL	GLS.GTR.039.1921
MODULE SIZE(mm)	250*250mm
RESOLUTION	64*32
INPUT VOLTAGE	DC5V
TRANSPARENCY RATE	55%
MODULE POWER	25W
CABINET SIZE(mm)	500*1000*65mm
MAX COMSUMPTION	400W/
Cabinet resolution	W128*H128
Input voltage	AC220V/(110V)±15%,47 63Hz
Cabinet material	aluminum, PC, stamping parts
cabinet weight	7.5KG
protection grade	IP42
pixel pitch	H:3.9mm V:7.8mm
LED SPECICATION	OUTDOOR SMD1921
PIXEL DENSITY	32768
SCAN MODE	1/16
REFRESH RATE	2880HZ
brightness(CD/m ²)	2500-4500
Working humidity	10% 95%RH
working temperature	-20~50C°
working life	≥30000H
signal transfer	Internet cable
control system	
computer synchronous control
