

High Brightness Transparent LED Display Flexible Installation Cabinet 500*1000mm

Our Product Introduction

for more products please visit us on hdled-display.com

Basic Information

- Place of Origin: made in China
- Brand Name: vegoo
- Certification: CE/ROHS/FCC/CCC
- Model Number: Transparent P3.91-7.81-01
- Minimum Order Quantity: Negotiation
- Price: Negotiable
- Packaging Details: Strong flight case,plywood case,cartons
- Delivery Time: 10-15 days
- Payment Terms: T/T, L/C,, Western Union, D/P
- Supply Ability: 5000sq.m/month

Product Specification

- Product: Transparent LED Display
- Tube Chip Color: SMD Full Color
- Usage: Outdoor And Indoor
- Pixel Pitch: P3.91-7.8mm
- Brightness: 3500-5500cd
- Cabinet Size: 500x1000mm
- Module Size: 250x125mm
- Application: Doors And Windows
- Application1: Showcase
- Advantage: High Transmittance
- Highlight: transparent led display, transparent led panel

Product Description

Transparent LED display P3.91-7.8 China factory slim-light flexible installation cabinet 500*1000mm

description

P3.9 -7.8MM cabinet parameter	
MODULE MODEL	GLS.GTR.039.1921
MODULE SIZE(mm)	250*125mm
RESOLUTION	64*16
INPUT VOLTAGE	DC5V
TRANSPARENCY RATE	55%
MODULE POWER	25W
CABINET SIZE(mm)	500*1000*65mm
MAX COMSUMPTION	400W/
Cabinet resolution	W256*H64
Input voltage	AC220V/(110V)±15%,47 63Hz
Cabinet material	aluminum, PC, stamping parts
cabinet weight	6KG
protection grade	IP42
pixel pitch	H:3.9mm V:7.8mm
LED SPECICATION	OUTDOOR SMD1921
PIXEL DENSITY	32768
SCAN MODE	1/16
REFRESH RATE	2880HZ
brightness(CD/m²)	3500-4500
Working humidity	10% 95%RH
working temperature	-20~50C°
working life	≥30000H
signal transfer	Internet cable
control system	

about us

Audio visual factory with 12 years experience of manufacturing and exporting all over the world.

Skilled at rental LED display seamless installation and mainly expanded small pixel pitch indoor LED displays.
